### **2002 ford Explorer: my service engine soon light just came on.**

I have the XLT model. The "service engine soon" light keeps coming on. I understand this light may come on when the vehicle reaches a certain mileage. My vehicle has reached 125,000 and this light has been coming on/off around that mileage area. I disconnect the battery for several minutes and it is off, after a few days it returns.

### **Service Engine Soon Light Is On: I Have the XLT Model. the**

I have a V6 Ford Explorer. I just got it maybe a month ago. It is a heavy winter here in Michigan, and while going down the highway I noticed the car acting strange around 60mph. I thought it was just the AWD turning on and off. About 10 minutes later, whenever I would hit 60 mph or so, the service engine soon light would come on, flash 10 times and turn off.

### **2002 Ford Explorer Service Engine Soon Light flashes ...**

The service engine soon/check engine (yellow light) comes only when the computer control unit (called the PCM) senses a fault in the electronic controls of the engine and/or the emission system you will seldom feel the car engine run any different, there are about 200 possible faults that turn the light on, to know what has developed a problem you must have the system tested, this is called an ...

### **SOLVED: My service engine soon light came on in my 2002 ...**

When the service engine soon light is blinking, it means a subsystem of the engine has failed. It could be something as simple as a broken gas cap, or it could be a serious engine problem.

### **Ford Explorer service engine soon light - answers.com**

My 2004 XLS had its "Service Engine Soon" light come on roughly a month ago. I tried to hedge my bets first by getting the oil changed and then buying a new gas cap but the light never went off. The gas cap bit fixed my wife's Dodge Stratus "Check Engine" light woes, thought it was worth(\$16) a try.
