Evinrude Junior outboard motor... I stumbled accross an old Evinrude Junior outboard motor today in a local chandlers: asking price £60. They assure me it's in good working order. It looks like it's well over 10 years old. I have the option of taking it back if I'm not happy. Research tells me it's probably 2hp. Does this sound like a good deal?

An Evinrude outboard repair manual, termed Evinrude factory service manual, is a book of instructions outlining the process of routine maintenance and troubleshooting, as well as a complete description of how to fix the boat motor back to working order. It's a handbook dealership technicians and do-it-yourself mechanics use to fix their engine.
