Re: New E-Z-GO but don't know what it is? In 2004, the glove box ID tags went away on EZGO's. There is a printed tag on the frame under the gas pedal / brake pedal location, as well as a tag on the frame, above the engine (or batteries) behind the seat and under the inspection cover...

### **New E-Z-GO but don't know what it is? - Buggies Gone Wild**

The continuous rated output is the output of an engine at optimum governed speed which is most favorable from the view point of engine's life and fuel consumption. When the engine is installed on a certain equipment, it is recommended that the continuous output required from the equipment should be kept below this continuous rated output.
