Prior to 2018, employees were allowed to claim deductions for their unreimbursed business expenses as itemized deductions on their tax return. This allowed employees to reduce their tax liability on account of having several common business deductions, including travel, supplies and many other items.

Employee Business Expenses | H&R Block

Unemployment Insurance. Most employers pay both a federal and a state unemployment tax. Only the employer pays FUTA tax; it is not withheld from the employee's wages. The Department of Labor provides information and links on what unemployment insurance is, how it is funded, and how employees are eligible for it.

Employee Benefits | Internal Revenue Service

It is clear employers will be required to make changes to their systems and processes at this time. Companies should review the tax treatment of their M&E expenses to realize the exceptions to the limitation rules to identify expenses that should be treated as 100 percent deductible.

Meals and entertainment expenses after tax reform

Short-term leave. The Family and Medical Leave Act is a federal law that guarantees employees at

larger companies up to 12 weeks of leave each year, although employers do not need to pay workers for that leave. The new tax law provides a partial tax credit to employers who offer wages during those times.
