The age of consent is the age below which a minor is considered to be legally incompetent to consent to sexual acts. Consequently, an adult who engages in sexual activity with a minor younger than the age of consent cannot claim that the sexual activity was consensual, and such sexual activity may be considered statutory rape. The person below the minimum age is regarded as the victim and their ...

Dysmetria (English: wrong length) is a lack of coordination of movement typified by the undershoot or overshoot of intended position with the hand, arm, leg, or eye. It is a type of ataxia. It can also include an inability to judge distance or scale. Hypermetria and hypometria are, respectively, overshooting and undershooting the intended position.

Where to start... Years ago I discovered Weebly thanks to a friend who had a travel website with it. I BADLY needed a professional website for my small business (writingthatsizzles.net), but did not want to pay hundreds of dollars, let alone I know nothing about building a website and didn't have time to learn. All I really knew was how to buy a domain name and that I wanted my own site.
