How do you set the cam timing on a opel astra 180ie 16 ...

Yes, the cams set at 10 and 2, the intake cam has a mark that is marked intake, the exhaust cam gear has a mark exhaust. as long as the crank gear key way is at 12 o' clock, also the timing mark on the crank gear will be at 5 o' clock. Install the crankshaft sprocket with timing mark at the 5 o'clock position.

Cams on ecotec 2.2 timing chain are out. What do I do?

There is allot of info going around about cam installs on an ecotec so I wrote up a step by step from beginning to end. There is a faster way to do a cam install then this but its not worth the risk, a couple people have had the valves hit pistons and I think everyone has messed up the cam timing and had to redo it.
