Lexus IS: Why is My Check Engine Light On? There is nothing more annoying or potentially troubling

than the dreaded check engine light. Is your light on to indicate a real problem, or is it just a false warning? Check out this diagnostic guide to find out what is really going on.

Lexus IS Why is My Check Engine Light On - ClubLexus

We ordered a replacement engine for our son's car on January 4, 2104. We paid for the engine in full at that time including a \$400.00 core charge. We were told that it would take five (5) business days for the engine to be received. We had delivered the car to our mechanic during the five day period we anticipated that the engine would arrive.
