Well all the fuse is good except the engine control fuse on the engine bay. I replaced it and it blow maybe 5-10 miles of driving. The last thing I remember doing is installing my radio. But still even when I disconnect the radio harness it still blew. But why should the engine control fuse blew, shouldn't it be the audio fuse??

Engine control fuse Help!! - Nissan Forum | Nissan Forums

There is a fuse labeled engine control in the fuse box in my S13 240sx that burns out almost every day. What components does it protect so I can look for shorts? Or is there any specific issue that would cause that fuse to blow? Thanks ahead of time

Engine Control Fuse 2005 Nissan Altima - levetajupe.com

My altima died while driving it. I had it towed back to my house and noticed the check engine light would not come on and the car would not start. I have tracked down a fuse that was blown in the fuse box under the hood by the water jug. It was fuse number 51. If I replace the fuse, it will blow

out again if I attempt to start the vehicle.
