The "Engrish Owner's Manual" for Self-Balancing Scooters. Do not allow the wet in the rain road, long distance driving backwards, high-speed, high-speed decay, speeding drifting scooter turn back. Design, test, or is not present in the personal transport related proof method and equipment for the medical safety, so the user must use drifting scooter without external force.

**Owner's manual for Self-balancing scooter with Engrish ...**

Posts must be Engrish: No typos or very minor accidental mistakes where the author clearly knows how to correctly spell the word. No mistakes caused by auto-correct. No intentional mistakes. No Google translate screenshots. No personal information, breaking this rule could result in a ban.

**From a juicer instruction manual : engrish**

MANUAL V1.0 | NtRodUC o > p. 4 InTrOdUCtION arChOs deVICe desCrIPTION bUttoNS on the left side of the device: Press and hold to switch on/off. Press once to switch the display of the image between TV and built-in LCD screen.

**ENGLISH USER MANUAL - Archos**

It seems that the job of translating manuals always goes out to the lowest bidder - with no considerations of having it proofed by a native speaker. OEM electronics manuals from Taiwan and China tend to be the worst.

**best (worst?!) English translation of a manual**

This instruction manual describes the proper methods for using the tamping rammer, as well as simple checks and maintenance. Be sure to read this instruction manual before using the rammer, in order to get full use of the excellent performance of this machine, to improve your operation and to perform engineering work effectively.

**302-00911 02 MT-76D Engrish Manual - Parchem**

Bad translations are incredibly frustrating when you need the user manual and incredibly hilarious when you don't. Engrish.com has some fantastic examples , including the gear shift knob installation manual above.

**5 Ways Manuals Suck More Than Root Canals | iFixit**

2. Follow the charging instruction in this manual and instruction labels and markings in the handset and charger compartments. 3. Battery must be recycled or disposed of properly. Do not dispose the

battery in a fire. The cells may explode. 4. Do not dispose of the battery in municipal waste. Check with local codes for disposal instructions. 5.

### **User Manual - EnGenius**

I work with lots of imported machine tools and the manuals are all written like this. They've gotten better in recent years but it still blows my mind that a multinational corporation like Mitsubishi or Okuma just won't or can't hire good translators or a technical writer that also speaks fluent english.

### **1962 Honda Riding Instructions : motorcycles - reddit**

Everyone's had their laughs with instruction manuals written in English; indeed, they can get quite hilarious. What bugs me, though, is the fact that these are seen not only in low quality products from second-rate or nameless producers.

### **Can't they hire ONE Englishman to proof their manuals? at ...**

I need to find a product with bad instructions manual? Or at least a portion of manual with pretty bad/unhelpful instructions. Preferably in electronics or software.

### **I need to find a product with bad instructions manual ...**

I actually find Engrish manuals hilarious, \*\*Thank to you for buy these wonderhappy supergood computer (P.C. house computer for)!!!! many for the years to happy be for purchase to you, guarantee!! for the box to having: 1: Jxiangshlong desktop for power to you 2: Manual paper to learn for the things importants (keep to safe place in next 5 years)

### **Why do companies like asus, asrock, foxconn, &c have such ...**

The instruction category is not for everyone - none of the Engrish you see here will make Engrish of the Week. There is a demand for it however, since Engrish.com has received hundreds of submissions. Here are some of the better ones from Japan and China.
