How will you prepare a high school engineering home school curriculum for your student? If you are homeschooling a student who is interested in pursuing a career in engineering, there are specific courses you will want to teach during the high school years to prepare your student for a major in engineering. What are these courses, and what are the best curriculum choices for these courses?

Engineering Home School Curriculum Options for High ...

Merely showing that a better future is possible will give people hope and motivation to work towards it. We propose using engineering methods to design solutions to the above-mentioned problems. Engineering methods have already solved large problems like supplying clean water and sanitation to two-thirds of the world.
