Learn Fundamentals of Engineering Exam Review from Georgia Institute of Technology. The purpose of this course is to review the material covered in the Fundamentals of Engineering (FE) exam to enable the student to pass it. It will be presented ...

Fundamentals of Engineering Exam Review | Coursera

Although most applicants have a degree in Materials Science and Engineering, we also encourage B.S. degrees from other engineering programs as well as the sciences to apply. You may be required to take additional courses upon admission depending on your background. Graduate Record Exam (GRE) general test scores are required of all students.

Graduate Application Requirements | Materials Science and ...

Georgia Institute of Technology offers three types of Certificates: Undergraduate Embedded. Undergraduate embedded certificates are intended to encourage students to use the elective course requirements in their degree program to form a coherent package of coursework in a specified area.

Programs < Georgia Institute of Technology

The papers could cover all aspects of materials science. A single 3-hour written exam will be based on the supplied research papers, and will require answering 6 questions. The exam will test the ability to read, understand and critically analyze the supplied research papers, and will be based on a thorough knowledge of the core courses.

Graduate Comprehensive Exams | Materials Science and ...

A native of Atlanta, Anh-Tu Mai is a third-year mechanical engineering major. Anh-Tu has skeedaddled home right after exams. But she will be back on campus in mid-May to do research in the Ben T. Zinn Combustion Laboratory with a team working on solar energy. She gets ScienceMatters through SoundCloud.

ScienceMatters | College of Sciences | Georgia Institute ...

The Fundamentals of Engineering (FE) exam is generally your first step in the process to becoming

a professional licensed engineer (P.E.). It is designed for recent graduates and students who are close to finishing an undergraduate engineering degree from an EAC/ABET-accredited program.
