This book has turned my life completely around. I used to have a very negative attitude towards those who told me that everyone poops. I was really quick to dismiss their claims that everyone poops as mystical hogwash, a sort of pseudo-scientific feel-good philosophy designed to scam the gullible out of their money.

What is a colonoscopy? Essentially, a physician inserts a tiny camera -- yes -- through your poop hole, and looks at all areas of your inner rectum and large intestine, which are the last parts of your digestive system. I learned that a colonoscopy isn't as bad as everyone says (once you get past the preparatory cleanse that is).
