### **Match the events from Shakespeare's Macbeth to the correct ...**

Definition of Falling Action. Falling action occurs right after the climax, when the main problem of the story resolves. It is one of the elements of the plot of the story, the other elements being exposition, rising action, climax, and resolution. Falling action wraps up the narrative, resolves its loose ends, and leads toward the closure.

### **Falling Action - Examples and Definition of Falling Action**

### **Exposition Rising action Climax Falling action Resolution**

Sometimes simply called "arc" or "story arc," narrative arc refers to the chronological construction of plot in a novel or story. Typically, a narrative arc looks something like a pyramid, made up of the following components: exposition, rising action, climax, falling action, and resolution.

### **The Purpose of the Narrative Arc in Literature - ThoughtCo**

The rising action follows the part of the plot known as the exposition (in which the world of the story and its characters are established), and precedes the climax. Every story has a section that can be described as the "rising action," even if the story has an unconventional narrative or plot structure.

### **Rising Action - Definition and Examples | LitCharts**

Exposition. Rising action. Climax. Falling action. Resolution. The plot mountain diagram is taught with short stories in English Language Arts at different grade levels, but I suspect that like most graphic organizers, the plot mountain diagram is over-taught, especially in middle and high school classrooms.
