American society, with a standard of living unprecedented in human history, can attribute a large measure of its success to increasingly sophisticated uses of energy. But that condition has come at a cost to irreplaceable resources, to the environment, and to our national independence. The goal of What You Need to Know About Energy is to present an accurate picture of America's current and ...

Sometimes the ternary operator is the best way to get the job done. In particular when you want the result of the ternary to be an I-value. This is not a good example, but I'm drawing a blank on somethign better.

The ternary (conditional) operator in C - Stack Overflow

In 2010, the Social Security Administration (SSA) celebrates the 75th anniversary of the passage of the Social Security Act. In those 75 years, SSA has been responsible for programs providing unemployment insurance, child welfare, and supervision of credit unions, among other duties. This article focuses on the administration of the Old-Age, Survivors, and Disability Insurance program, although ...

Administering Social Security: Challenges Yesterday and Today

Both in and at get used interchangeably but they can have slightly different meanings. Use at when referring to the meeting as a location.. She is at the meeting she is attending the meeting (we do not know what her participation is) I will be at the conference I will be attending the conference. Use in when referring to the meeting as an action.. She is in a meeting.

prepositions - Do we say - "in the meeting" or "at the ...
