By selecting the manufacturer of your golf cart below, you can have the website display only products that will work with your cart. This will include any universal parts or items that are not specific to any particular golf cart.

**Upgrades for Gas Carts - Everything Carts**

Re: More performance out of 295cc engine I wasn't looking for more top end but I am looking for more torque. With the stock Ranger wheels on it I actually made my adapters with 1/2" plate and flipped the ranger wheels (so the valve stem in on the inside all the way around) so I would have the clearance on the inside, especially for the rear.

**More performance out of 295cc engine - Buggies Gone Wild**
