Eico 377 Audio Generator. I bought this Eico Audio Generator at a local Ham flea market. I did not have a real requirement for another audio generator but the price was right and I like collecting old test equipment. It came with 3 spare tubes (used) and an audio cable. A comprehensive manual is available on the BAMA website.

Eico did not play the model number-letter game like many other companies did. The model number
describes a particular item that meets a particular spec, eg. 377 is a sine/square audio generator,
20-Hz to 200-kHz. The exact tube line up, internal parts, even the colors of the case and front panel
could be different depending on when it was made.
