Engine Block Heaters by Kats. These heaters are designed to be installed into an engine block, typically in a frost plug port. All Kats heaters are made in the USA and come with a warranty.

### **Block Heaters**

Heaters are also available for motor oil so as to warm the oil and give the engine lubrication from the beginning of start-up. The rapid heat circulation caused by block heaters also aids the initial vaporization of fuel in the engine; because of this effect, block heaters reduce pollution, as poor fuel vaporization causes much higher emissions.
