Engine Timing For Td42

I don't think there is any other way to check the timing on a diesel... I have only ever known of the timing parks on the gears... I haven't heard of a timing light for a diesel but I have heard of something that you can put on the back of an injector pump that helps advance/retard the fuel/air... can't remember what it is called though!

Injector pump timing TD42 - Offroad-Express
