Earth Stove Wood Stove Replacement Parts

Earth Stove. Many had cats and they bought another local stove company that was the original secondary air injector burners that are common in most non-cat stoves today. Even the old Earth Stoves like my 704 have fresh air injected into the flue with a 1 inch galvanized pipe. Most of the older models have wrought ironwork patterns on the doors,...

Earth Stoves Earth Stoves were purchased by Lennox Heating a few years ago, but there are still many models still out under the old brand. They are known for their great looks. However, many customers note that the rated BTUs and burn times don't quite match what the stoves put out in the field, so keep that in mind when sizing.

I searched for anything Earth Stove and found it to be an old pellet stove. This after I purchased a used Earth Stove Model WP 50 today. It seems the three speed setting switch has all three settings the same HIGH. I was wondering if anyone had a manual on this dinosaur and willingness to help me slow down the auger speed.

Earth Stove manual and parts | Hearth.com Forums Home

The demise of Earth Stove came when Lennox bought them out. Seems that they just bought them for the name and basically dropped the Earth Stove lineup. That was the end of another steel smithworks company in the Willamette Valley.
