EPICS - Experimental Physics and Industrial Control System

You'll find a link to it on the page for your Base release in the EPICS Base area. Where is the Record Reference Manual for R3.14.x? It's on the Wiki, please update it if you find any parts that need corrections. Older stuff. The original APS EPICS Documentation page will no longer be maintained or updated.

EPICS Documentation

These parameters are used to present meaningful data to the operator. They display the value and other parameters of the waveform either textually or graphically. EGU is a string of up to 16 characters describing the units that the waveform measures. It is retrieved by the get_units record support routine.
