I'm not sure about massive, but I know how to use edirol. When using edirol, make sure you save your setup by clicking (I think) system or output. It's one of those gray buttons on the right. Then there should be some save/load options and click save performance. This will save your instrument setup.

Hello. So I have a problem with Edirol Orchestral. I change the volume of each instrument, inside Edirol, but when I click "Play" the volume resets to it's original/default state. If I try to change it when the track is playing it will reset when I stop the track. Does anyone know what's causing this? And, do you know how to solve it?
