Shed the societal and cultural narratives holding you back and let free step-by-step Electric Machinery and Power System Fundamentals textbook solutions reorient your old paradigms.

Solutions to Electric Machinery and Power System ...

This is a straight forward, easy to understand book about three-phase electric systems and machinery. One of the best I have seen. Also, it is a great price. Another perk is that it appears that the author has put many electronic supplements (i.e. solution guide) to this book online. The author writes from a practical industry perspective.
